**THE MONARCH ENTERPRISES** was established in 1998, & today we are complete designing solution provider for optical & retail showroom in India. Our state-of-the-art factory spread across 45000 sq. feet in Babosa industrial park Bhiwandi which has all the latest machinery and equipment that help them to cater all the retail store requirements.

Our Modular furniture are made from Finest quality raw material using German Machinery that gives unique experience and feel which a local contractor will never able to deliver. Our clientele includes many Leading and top most Brands of India.

With over 24 years of experience in the optical industry, we are the premier resource for planning, designing and producing successful optical retail environments. Our sales and design team have over 300 years of combined optical industry experience and work directly with you to provide the best solution for your project and budget. Our innovative showroom design & display products will inspire you to create unique and stylish eyewear presentations that are sure to capture the attention of your customers.

We customize our displays to fit your style:

All of our frames & sunglass displays can be customized with your choice of colors, materials and finishes. We manufacture everything at our state-of-the-art manufacturing facility.

We not only build custom optical displays, but we are a complete solution using innovative technology to enhance the customer experience.

Your project is our passion, no matter the size.

Our team will work closely with you. We help you define your particular needs while maintaining your budget and personal style. We will provide you with the comprehensive solutions you need to maximize your practice's performance as we believe our success is when you will be successful.

We are the trend setter in Indian Optical Industry & always try to strive hard to provide out of the box solutions to every retail & corporate client in India & Overseas market.

## Our Founder's Message

Being the founder & CEO of The Monarch Enterprises allowed me a unique opportunity. It allowed me to dream...to create a vision for what I think a company should look like and how it should operate without any history, baggage or constraints. I was able to establish the core values & purpose that have personal meaning not only to me but for my team as well.

Although I didn't know if the dream would come true, I believed it would. I believed that with the right team, we could create a great company with a culture that keeps our people engaged and joyful. I also realized that achieving the vision to the fullest would be a journey that would never end, because Monarch is alive and will continue to developed & evolve to give our every client unique & exclusive experience.

Today, We have prepared ourself with our state of the art factory spread across 45000 sq feet with 175 employees & workers in Babosa Industrial Park Bhiwandi & has all the latest machinery and equipment that help us to cater all the retail store requirement with current trends in Brick & Mortar setup of Optical & Retail Industry.
