## THE MONARCH CONCEPT:

We are designers, manufacturers, fabricators and problem solvers who help our customers maximize their space to be organized, functional, personalized and beautiful.

## CONCEPT OF FACTORY MADE FURNITURE:

- It can be easily switched to accommodate the latest furniture designs you plan to showcase your frames & sunglasses. It helps to enhance the design aesthetics of the optical showroom.
- Made on latest technology to give excellent fit & finish.
- It is available in a wide range of selections in different colours, materials and design options for you to choose from with **100% customise design to fit your style, budget and time line.**
- It has the ability to maximize your display area. It can be mobilize easily from one place to another to get maximum output. With the latest furniture design it has the ability to give a superior look to any wall.
- Modular wall units and counters offer sustainability and environmental benefits, as the material used to make them are reusable and it is dust-free to install.
- Factory made furniture is less time consuming and it can be quickly assembled leading to lower labour costs. This is the reason behind the affordable nature of furniture, making it suitable for Retail & Corporate clients with varying budgets.
