Our Founder's Message

Being the founder & CEO of The Monarch Enterprises allowed me a unique opportunity. It allowed me to dream...to create a vision for what I think a company should look like and how it should operate without any history, baggage or constraints. I was able to establish the core values & purpose that have personal meaning not only to me but for my team as well.

Although I didn't know if the dream would come true, I believed it would. I believed that with the right team, we could create a great company with a culture that keeps our people engaged and joyful. I also realized that achieving the vision to the fullest would be a journey that would never end, because Monarch is alive and will continue to developed & evolve to give our every client unique & exclusive experience.

Today, We have prepared ourself with our state of the art factory spread across 65000 sq feet with 175 employees & workers in Babosa Industrial Park Bhiwandi & has all the latest machinery and equipment that help us to cater all the retail store requirement with current trends in Brick & Mortar setup of Optical & Retail Industry.

I am truly elated with the fine work done by Monarch enterprises. I would like to thank Taher for seamlessly executing the entire project of my Optometry practice in Mulund, Mumbai named PersonalEYES. I am completely satisfied with the aesthetics of the customised displays created. Thanks again. Jinal Zaveri

This is Harish Prajapati from Drishti eye care and Opticals Umariya M.P., I made my optical store from Monarch & I'm very happy with their service. I had a few concerns initially but with the help & support from Nikhil sir, it was taken care very smoothly. He also called me regularly to update me on the status of my work & was always available on call as & when needed. I like to thank him, Murtaza bhai & entire Monarch team for all the support & always recommend them for your next upcoming retail store work.
